EXPERIENCE

The Software Guild — Long Beach, CA
Full Stack Java Web Development Apprentice — *September 2019 – June 2020*
- Graduate of the 720-hour web development asynchronous online bootcamp. Major projects completed include:
  - **Virtual vending machine**. Developed an application to model processes of a vending machine. An interactive web-based UI allowed a user to "insert" money and select an item from the menu displayed. Technologies used: HTML, CSS/Bootstrap, JSPs using EL and JSTL, servlets, Java 8 EE, Spring MVC.
  - **Hotel reservation database**. Designed a database that would allow a hotel to track and manage room reservations, customer and guest information, promotions, rooms and other chargeable items, and invoices. Technologies used: MySQL database, MySQL Workbench, SQL, MS Excel.
  - **Superhero Sightings reporting system**. Developed a web-based CRUD application allowing enterprise users to catalogue various details about fictional superheroes and document instances where they were seen. Technologies used: MySQL, HTML, CSS, JSPs using EL and JSTL, servlets, Java, Spring MVC, TDD using JUnit.
  - **Content Management system**. Developed a full stack, web-based content management system for small business use. The site owner could write blog posts to market their business, create static pages, and manage other users with permission to write blog posts to be published only upon owner/admin approval. Technologies used: MySQL, Java, JSPs, TinyMCE, Spring MVC, Spring DI, Spring Security, Tomcat, TDD.

Hybrid Apparel — Huntington Beach, CA
Senior GL Accountant — *January 2018 – present*
- Calculate and record sales and corresponding commissions. Wrote scripts in VBA to aggregate monthly factored sales data for reconciliation and to streamline statement generation for external reporting.
- Create and maintain reconciliation schedules on inventory, debt, accrued interest, and sales and COGS.
- Assist in preparation of GAAP financial statements with MG&A. Furnish support for calendar-year audits/exams.

Holthouse Carlin & Van Trigt LLP (HCVT) — Los Angeles, CA
Senior Staff Accountant – Business Management practice — *August 2016 – January 2018*
- Prepared periodic GAAP financial statements for clients. Posted journal entries for interest accrual, fixed asset depreciation, film asset amortizations, participations, and corresponding balance sheet account reconciliations.
- Managed accounts payable. Prepare and file 1099s and other miscellaneous government compliance filings.

popchips, Inc. — Playa Vista, CA
